

ASTRO MAANSI

VASTU CONSULTATION

REQUIRED SITE DETAILS FOR VEDIC VASTU ANALYSIS

To ensure an accurate and detailed Vedic Vastu assessment, kindly keep the following information ready before the consultation.

	1 Google Location Coordinates	Please share the exact Google Maps location coordinates of the property.
	2 Outer Dimensions of the Property	Provide the complete outer dimensions of the concerned property – bungalow, flat, house, shop, office, etc.
	3 Internal Dimensions	Share the inner dimensions of rooms, toilets, kitchen, cabins and other relevant spaces.
	4 Plot Dimensions	If the property includes a plot, please provide the complete plot dimensions.
	5 Road Connectivity & Main Entrance	Mention the position of road connections and the main entrance.
	6 Property Marking on Google Map	Mark the exact property location clearly on Google Maps.
	7 Complete Property Address	Provide the full and accurate address of the property.
	8 Main Entrance of Built-up Property	Specify the exact position/direction of the main entrance of the constructed property.
	9 Surrounding Environment	Share nearby surroundings such as temples, factories, canals/flowing water, cemeteries, tall buildings, or other significant structures.
	10 Slope of the Land	Mention the direction and nature of the land/property slope, if applicable.

SITE VISIT, IF REQUIRED

A personal site visit can be arranged whenever required for a more detailed on-site Vastu assessment.
